### **ATTENDANCE CYCLE INITIATIVE**

Dear Parent/Carer

As a College we are keen to work together with parent/carers to ensure the very best for our children.

A good education is an important factor in opening up opportunities in adult life and a key component of this is good attendance. Research has shown that students with poor attendance perform significantly worse in their GCSE examinations than those with good attendance.

In order to improve levels of attendance and punctuality, the Corpus Attendance Cycle initiative is being introduced during Half-Term 4. We believe this new initiative will address attendance concerns quickly and effectively. Furthermore, it will offer parent/carers appropriate support and guidance (*please see overleaf for further details*).

We would like to take this opportunity to thank you for your continued support in ensuring your child attends College regularly.

Yours sincerely

Mrs L Walker
