

# CORPUS CHRISTI CATHOLIC COLLEGE

*Laborare Est Orare – To Work is to Pray*

18 March 2021

Dear Parent/ Carers

We are very proud of our reputation and commitment to Extra-Curricular Sport and I am pleased to say that our programme will start on Tuesday 23rd March. Each year group have been allocated a separate afternoon to attend the activities and this will ensure that there is no mixing between year group bubbles. There will be changing facilities available which have been thoroughly cleaned for use after College.

This is a great opportunity for pupils to get back into different sports. We will not be making any decisions on any of our teams, as we are not currently able to play fixtures against other schools. We would like to encourage pupils to attend different activities and in the first instant we will be offering Netball, Football (boys and girls) and Table Tennis. As all the activities are on the same night students may wish to alternate between activities each week. All sessions will be following the National Governing Body COVID guidelines for that Sport.

Students do not have to sign up for activities. We request that they turn up to the relevant changing rooms on the correct afternoon with the kit they need for that sport and follow the teacher's instructions. For most activities they will need their school PE kit and boots if they are on the field. The sessions will start as soon as possible after College and will finish at 4.00pm so students will need to arrange lifts home at this time if required. Please see the activity timetable below:

<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Friday</b>

This will be reviewed regularly as and when restrictions are relaxed. Due to the proximity of mock exams currently there is no provision for Year 11 but this will also be reviewed after the Easter break.

Kind Regards
