

CORPUS CHRISTI CATHOLIC COLLEGE

Laborare Est Orare – To Work is to Pray

March 2020

Class of 2020

I would like to start by thanking you for the way in which you have conducted yourselves over the last few days. Not only have you shown care and consideration for others but also the leadership skills that we have come to expect of you.

In short, you have been exceptional under very difficult circumstances.

Life sometimes throws us a curve ball. Characters are built by the way we respond. Nothing you have done is wasted. Whilst the formal parts – your qualifications are decided upon, in a way that is fair, the real value of education is a far bigger picture. The experiences had, friendships made, caring for those around, the value you have added to our school community.

The next few weeks and months are going to be a unique and challenging time. I hope we have equipped you with the skills and strengths to become Beacons of Society. Ones who shine and help those around you during this unprecedented period of modern history.

We share your disappointment and frustration.

When this is all over, and it will be at some point, our priority must be to get back together as Class of 2020 to celebrate all your achievements and friendships.

You will always have a home and find a friendly face at Corpus.

We are very proud of you.

Take care and God Bless.

Mr Gouland and Mrs Vose

Principal: Mr S M Mort BA (Hons), NPQH
